

"O Lord, our Lord, how majestic is your name in all the earth! You have set your glory above the heavens."

***(Psalm 8:1)**

Come and see the beauty & creativity of God's creations. Look up the vast sky, you can see His glory through the clouds, the glorious sunshine. The moon, the stars & the galaxy declares His greatness.

Get close to the nature, slow down our pace & behold the blossom of the flowers, the smell of natural plants, listen to the flowing rivers & birds/insects songs. They all point to our creator God & His glory.

Thank God for His provisions for us to go Bali as a family retreat. We had a wonderful time together staying in a homely townhouse where we can live & share our lives in an unhurried way. We feel relaxed & refreshed as we have time to reflect God's goodness in our lives & recharge our energy.

We were blessed by the friendliness of the drivers, the townhouse staff & the kopitiam waitresses.

We were so overjoyed when we saw the great welcoming waves of Bali sea. The waves were so beautiful & ongoing that we threw ourselves to the blossom of the sea. Many people enjoyed surfing at the great waves. We had a great time taking pictures & relaxing on the clean beach.

Indeed we need to be still & know that He is God. We need to slow down our pace instead of rushing here & there. The people there were contented & happy. We need to count our blessings & be thankful.
