

**"God is our refuge and strength, an ever-present help in trouble." (Psalm 46:1)**

New Year is a good time of reunion & fellowship, catching up with one another, sending our best regards/gifts to bless each other. Recently we found out one of our relatives with family fell into financial crisis. They needed cash to tie up things & counseling/prayers to help them up. In all these resources & men help, the best resort is turn to the Lord who is our very present help in trouble. Pray that they will return to the Lord full heartedly & be helped.

**Our Thanksgivings to God:**

1. For a good time of reunion with our loved ones in Lunar New Year. We met our relatives and closer friends, catching up with one another.
2. For His provision for us in providing a tenant at last to rent our room.
3. For His provision for our kids thro the \$400 ang pows they received.
4. For helping Isaac & Isaiah thro their Feb test. March test is coming soon.
5. For open doors for me to go churches to speak for kids Easter outreaches.

**Our Prayer Requests:**

1. For the gospel tracts we had given to relatives & friends, the Lord will speak to them.
2. For a good relationship with our tenant, that we will able to share God's love with her.
3. For Isaac & Isaiah that they will learn to give their time & money to serve God.
